it had been, we know of several prominent gentlemen in this place who would have with us promptly declined. So much upon the question resistance to the Compromise acts.

It we turn to the Union platform of the State we find it equally silent upon the subject in regard ing affirmation, a subject upon which at least there was an honest contrariety of opinion amongst the friends of the Union cause, and one in ne way connected with the discharge of their practical and legitimate business. Such an invidious gratuity was as unwise in policy as it was unauthorised in Saturday Morning, December 13, 1851. authority, since the professed cause itself, was weakened by every new and unnecessary test. It was the experiment of Procrustes renewed, and The SOUTHERN STANDARD has a weekly circulation as such was unworthy even, of a prudent caucus,

tably dissolved, even if the decision of the isolated issue for which the convention assembled, had not IPSO FACTO, finished the mission of the Union party. This as will be recollected was the ground we assumed when we hoisted the candidates of that party, having formally and explicitly proclaimed that we considered its legitimate existence as limited to the past canvass, and its longer continuance as no less invidious in design, than injurious in tendency. This of itself we consider a sufficient reason to terminate our connection; unfortunately Rev. J. H. INGRAHAM will preach in St. Paul's however, if this reason did not exist, the action of Thurch on Sunday the 14th inst., morning and evening. | the late convention furnished others more cogent. It was the discovery that our faith either as a republidan, or friend of the Union, could not have been confided to more dangerous hands-that even A meeting of the Jeffersonian De- if the perpetuity of the Union was still in danger, it was time we were looking out wiser, and more

faithful conservators of the sacred trust. With these hurried and general remarks upon the subject of constituent authority, our exhausted space admonishes us that we must adjourn more specific comments upon the proceedings of the convention itself, until next week.

This is a subject which is now naturally engag-
